

Wochenkalender

PDF 73

Trage von unten nach oben die Wochentage ein. Beginne mit dem Tag nach der Flötenstunde.

The image shows three identical vertical columns for a weekly calendar. Each column has a starburst at the top containing the word 'Flöten'. Below the starburst is a vertical rectangle divided into seven horizontal sections. At the bottom of each column is a small illustration: a starburst, a musical note, and a heart. Scissors are drawn at the bottom of each column, indicating where to cut. The columns are separated by dashed vertical lines.
